Hand-crafted here in British Columbia, these attractive pine urns feature dovetail corner detailing and a seamless fit between base and lid. The top and bottom of the inside of the urn is lined in felt cloth. A durable plastic insert (shown at right) is included with the Memento Chest. The wooden chest can be used to keep photos, letters, newry, or other items of sentimental value. The Memento Chest can also be permanently sealed. These urns can be highly personalized as families can choose to inscribe a name, dates or a brief verse on the urn lid. As well as the images shown here, other images are available for engraving onto the Memento Chest.
